**ÉCOLE POLYTECHNIQUE FÉDÉRALE DE
LAUSANNE**
SCHOOL OF COMPUTER AND COMMUNICATION
SCIENCES IC

January 20, 2017

First of all, let me introduce myself, I am Iman Tabrizian and I'm currently attending Computer Software Engineering at Amirkabir University of Technology, Tehran, Iran.

I think that attending an international internship at one of the leading universities in the world, can help me a lot in the better exploration of my research interests including *Internet of Things(IoT)* and *Computer Networks*.

I am really enthusiastic to attend in this internship in order to apply what I have learned through these years in research. Because EPFL has rich faculty members at these fields, especially at computer networks, this was what motivated me to choose EPFL for my internship.

Yours faithfully,

Iman Tabrizian
